John J. McClesker will leave Triesday night or Wednesday morning,
on a hurried trip to Tucson, Phose
nix and Segales to see how things
are progressing for the Rio Grande
league on the western sed of the
circuit, and also to investigate conditions at Negales, which is speking a

A tentally projected.

In case any other city should drop out.

The officers of the league are determined, however, that as time is allgoing away, no chances will be taken and that the league will pertiately open on April 71. Six clinbs are now yearly mad if it is possible to set two more, they will be admitted otherwise the circuit will be all clubs.

The first aunual meeting of the league will be held next Sundar-Whether it will be in El Passo of Tucson bas not yet been definitely decided. The western clubs prefer the aun but El Paso is more central and taking the meeting to the Arizona city will mean a very long trip for the Albuquerque delegate, thought for the Albuquerque delegate, thought for the albuquerque delegate, thought for the factors.

The Eas Cruces fans have decided to come down in force for the opening game and will likely travel in a pecial train. The Las Cruces band will come along to supply music and further's men will have plenty of rectors. The El Paso club will also have a band and there will be great delay.

How to Overcome the Torture Without Harmful Drugs.

A legion of people have used 8 S. S. and have overcome the worst forms of rheemsteam, and played the 13th cavalry tiem.

This disease of he strange symptoms, scarcely two people having it eractly alikened because of his strange symptoms, scarcely two people having it eractly alikened to his extension of the blood is liftle understand and distressing. S. S. S. seems to have almost a divine influence in driving it tool, releasing the merves from pain and clear-ing the plotts and muscles so they work without restraint. The best explanation for this happy result is the fact that in S. S. S. are certain higherholds which sat as an antifold. They are nature's providence to man.

Just as the merits, fata, salis and sugars of our daily food provide us with nourishment, so does S. S. S. give to the blood the exact medicinal requirement to clear the strang, drive out impurities and reconstract the body if destructive germs have gained a foothold. Go to any drug store today and got a bottle of 8. S. S. It will do you good, that the provision of the same to refuse any and all substitutes.
